It is a modern adaptation *William Shakespeare's* play "The Tempest"

Theater studio "Big People"
Rīga

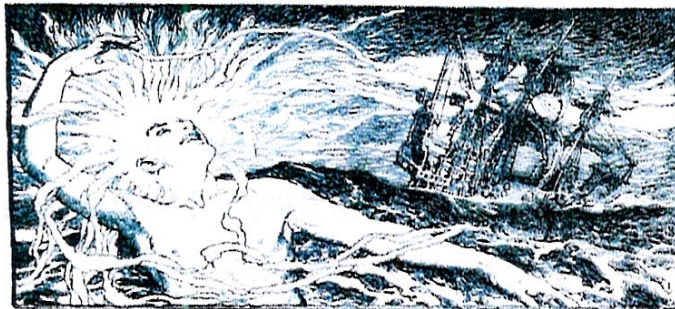

2023.gads

Twelve years before the action of the play, Prospero, formerly Duke of Milan, had been usurped by his treacherous brother Antonio, aided by Alonso, King of Naples.

Escaping by boat with his infant daughter Miranda, Prospero had fled to an island where he has been living ever since.

When a ship carrying his brother Antonio passes nearby, Prospero conjures up a storm using the help of an airy spirit Ariel and the ship is destroyed.

Antonio is shipwrecked, along with Alonso, Gonzalo (Prospero's trustworthy minister), Ferdinand (Alonso's son) and other court members.
